

2015-2017 Strategic Plan

Strategic Pillars

Vision-

Fostering excellence in training and mentoring of the next generation of educators in pulmonary and critical care medicine.

Mission-

Provide leadership and support for pulmonary and critical care medicine-training program directors and their programs.

Values-

Education as a Profession.
Responsiveness.
Supportiveness.
Inclusiveness.
Advocacy.

Goals

1. Support the career development and academic advancement of pulmonary and critical care medicine program directors, program faculty, and staff.
2. Offer the most desirable educational and networking opportunities for pulmonary and critical care training programs.
3. Encourage, recognize and reward excellence in pulmonary and critical care medicine training programs.
4. Promote the interests of our membership in issues affecting the training, accreditation, credentialing, workforce and financing of pulmonary/critical care medicine fellowship programs.
5. Foster collaboration with and participation by fellowship programs in closely related fields.
6. Develop and administer premier Pulmonary Critical Care and IM Critical Care In-Service Examinations and other assessment tools.
7. Maintain a solid financial base to ensure stability of the APCCMPD.
